

# St. Mary's News January 2024

Tuesday 9<sup>th</sup> January 2024

Dear Parents,

I hope you all had a peaceful Christmas and family time together. From listening to the children, Santa was very good to everyone in Dunamore!! It is hard to believe the holidays are over, but the children have now settled back into Term 2 and are encouraged to be at school every day and try their very best. Children are to wear their full school uniform every day unless they have PE. Hoodies and jogging bottoms/skinnyies are not part of school uniform.

## **The Christmas Story**

The Christmas Carol Service on the 19<sup>th</sup> December was a beautiful event celebrating the true meaning of Christmas, especially after a very difficult term. A big thank you to all the staff and pupils for their preparations and hard work to make the night so meaningful. We are so proud of all the children for their reverence and behaviour on the night.

## **School Christmas Raffle**

The Christmas Raffle was an outstanding success. Sincere thanks to all who donated prizes, sold and bought tickets. The profit raised was £3270 which is fantastic for our school. Congratulations to everyone who won a prize, and thank you again for your support, it is very much appreciated.

## **Attendance and School Procedures for Signing out**

If your child is absent from school, it is important that you contact the school explaining the absence and when they may return to school. If your child has to leave the school early during the school day, it is important the class teacher receives a note from the parent/guardian stating this. When the child is being collected, the parent/guardian must report to the General Office and sign the pupil out.

Parents are not to go to individual classrooms/mobile during the school day.

**\*\*All visitors to the school are reminded to report to the General office upon arrival. \*\***

### **Health and Safety in Winter Weather**

At this time of the year the weather can be unpredictable from day to day. I would ask you to remind your children to bring their coats to school so that they remain warm when playing outdoors at break and dinner time. We always try to do a risk assessment on the safety of the different school yards at this time of the year, especially before outdoor play. Even with that, accidents can happen. I would ask you to remind your children to be mindful of safety when playing and running outside at school especially in winter weathers.

**School Website** - <https://www.stmarysprimarydunamore.co.uk/>

Please log onto our new school website to keep abreast of what is happening in our school over the next term. There are still a number of parents who have not clicked on to the Website App. It is important to click on the link received in a text message to register as the new app will be how we send messages, newsletters etc. If you did not receive a text message, please let us know and we will resend it.
